

*For a Good Friend of Mine*  
WARM WISHES FOR YOUR BIRTHDAY

*I* wish you a birthday  
that's much like your friendship,  
Where caring  
and laughter combine...

*I am still doing well. Thank you  
for saving my life!*

*Dear Heinrich,*

*I* wish you a year  
filled with beauty and promise,  
A year when your talents will shine...  
And I wish you a rainbow  
to brighten each day,  
As you've brightened  
so many of mine.

*Happy Birthday*

*Good wishes - Khara  
+ Hugh*
